WHO CAN VOLUNTEER?

Any caring individual, 15 years of age or older who is dedicated to serving older adults, can be a volunteer, whether you are a student, recently retired, or searching for an opportunity to give back to the community.

- *Volunteers must have their own transportation to be able to deliver these meals.*
- *It takes about an hour , depending on the weather.*
- *Clients on our program are divided among (5) routes.*

We encourage volunteers in our community to help deliver meals to our clients, every day. Volunteers are our Eyes and Ears, and any problems and concerns, shall be reverted to the director for follow up. Meals On Wheels staff, will work with you to accommodate your schedule.
