(current year)

Property Tax Rates in

Reeves County  
(taxing unit's name)

This notice concerns the

2020  
(current year)

property tax rates for

Reeves County  
(taxing unit's name)

This notice provides information about two tax rates used in adopting the current tax year's tax rate. The no-new-revenue tax rate would impose the same amount of taxes as last year if you compare properties taxed in both years. In most cases, the voter-approval tax rate is the highest tax rate a taxing unit can adopt without holding an election. In each case, these rates are calculated by dividing the total amount of taxes by the current taxable value with adjustments as required by state law. The rates are given per \$100 of property value.

Taxing units preferring to list the rates can expand this section to include an explanation of how these tax rates were calculated.

This year's no-new-revenue tax rate ..... \$ 0.652809 /\$100

This year's voter-approval tax rate ..... \$ 0.670353 /\$100

**Voter-Approval Tax Rate Adjustments**

**State Criminal Justice Mandate**

The Reeves County Auditor certifies that Reeves County has spent \$ 0 (minus any amount received from state revenue for such costs) in the previous 12 months for the maintenance and operations cost of keeping inmates sentenced to the Texas Department of Criminal Justice. Reeves County Sheriff has provided Reeves information on these costs, minus the state revenues received for the reimbursement of such costs. This increased the voter-approval tax rate by \$ 0 /\$100.

**Indigent Health Care Compensation Expenditures**

The Reeves County spent \$ 0 from July 1 2019 to Jun 30 2020 on indigent health care compensation procedures at the increased minimum eligibility standards, less the amount of state assistance. For the current tax year, the amount of increase above last year's enhanced indigent health care expenditures is \$ 0. This increased the voter-approval tax rate by \$ 0 /\$100.

**Indigent Defense Compensation Expenditures**

The Reeves County spent \$ 150,541 from July 1 2019 to June 30 2020 to provide appointed counsel for indigent individuals, less the amount of state grants received by the county. In the preceding year, the county spent \$ 168,855 for indigent defense compensation expenditures. The amount of increase above last year's indigent defense expenditures is \$ -18,314. This increased the voter-approval rate by \$ -0.000107 /\$100 to recoup the decreased expenditures.

(use one phrase to complete sentence: the increased expenditures, or 5% more than the preceding year's expenditures)

Eligible County Hospital Expenditures

The Reeves County spent \$ 0 from July 1 2019 to June 30 2020

on expenditures to maintain and operate an eligible county hospital. In the preceding year, the Reeves County

spent \$ 0 for county hospital expenditures. For the current tax year, the amount of increase above last year's expenditures is \$ 0. This increased the voter-approval tax rate by 0 /\$100 to recoup not applicable to Reeves County

# 2020 Tax Rate Calculation Worksheet

## REEVES COUNTY - general fund

### No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

1.	<b>2019 total taxable value.</b> Enter the amount of 2019 taxable value on the 2019 tax roll today. Include any adjustments since last year's certification; exclude Tax Code Section 25.25(d) one-fourth and one-third over-appraisal corrections from these adjustments. Exclude any property value subject to an appeal under Chapter 42 as of July 25 (will add undisputed value in Line 6). This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2) and the captured value for tax increment financing (will deduct taxes in Line 17). <sup>1</sup>		\$18,811,243,471

**Voter-Approval Tax Rate**

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

1. **Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
2. **Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

**NNR Tax Rate and Voter-Approval Tax Rate Adjustments for Additional Sales Tax to Reduce Property Taxes**

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its NNR and voter-approval tax rates to offset the expected sales tax revenue.

This section should only be completed by a county, city or hospital district that is required to adjust its NNR tax rate and/or voter-approval tax rate because it adopted the additional sales tax.
